Task

Design a good-looking website for a Madrasa with the following content both in English and Urdu. The contents are not arranged and you are supposed to be a good designer who will first arrange the content and then think about the proper layout for the content. You may use any layout, style, color, etc. of your choice.

Objective

To design a bilingual (English & Urdu) website for a Madrasa using HTML and CSS, covering course details, founder information, announcements, and contact details.

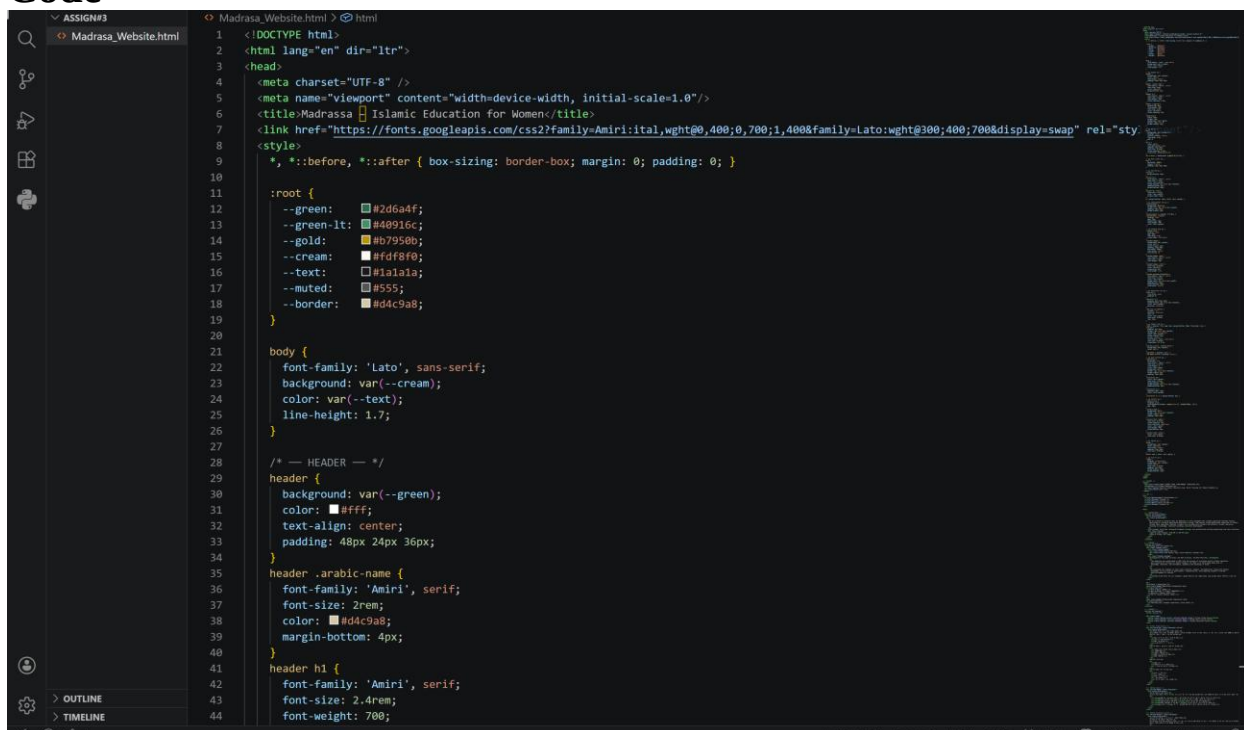

Tools & Technologies Used

- HTML
- CSS
- Google Fonts
- Browser (Chrome / Edge)

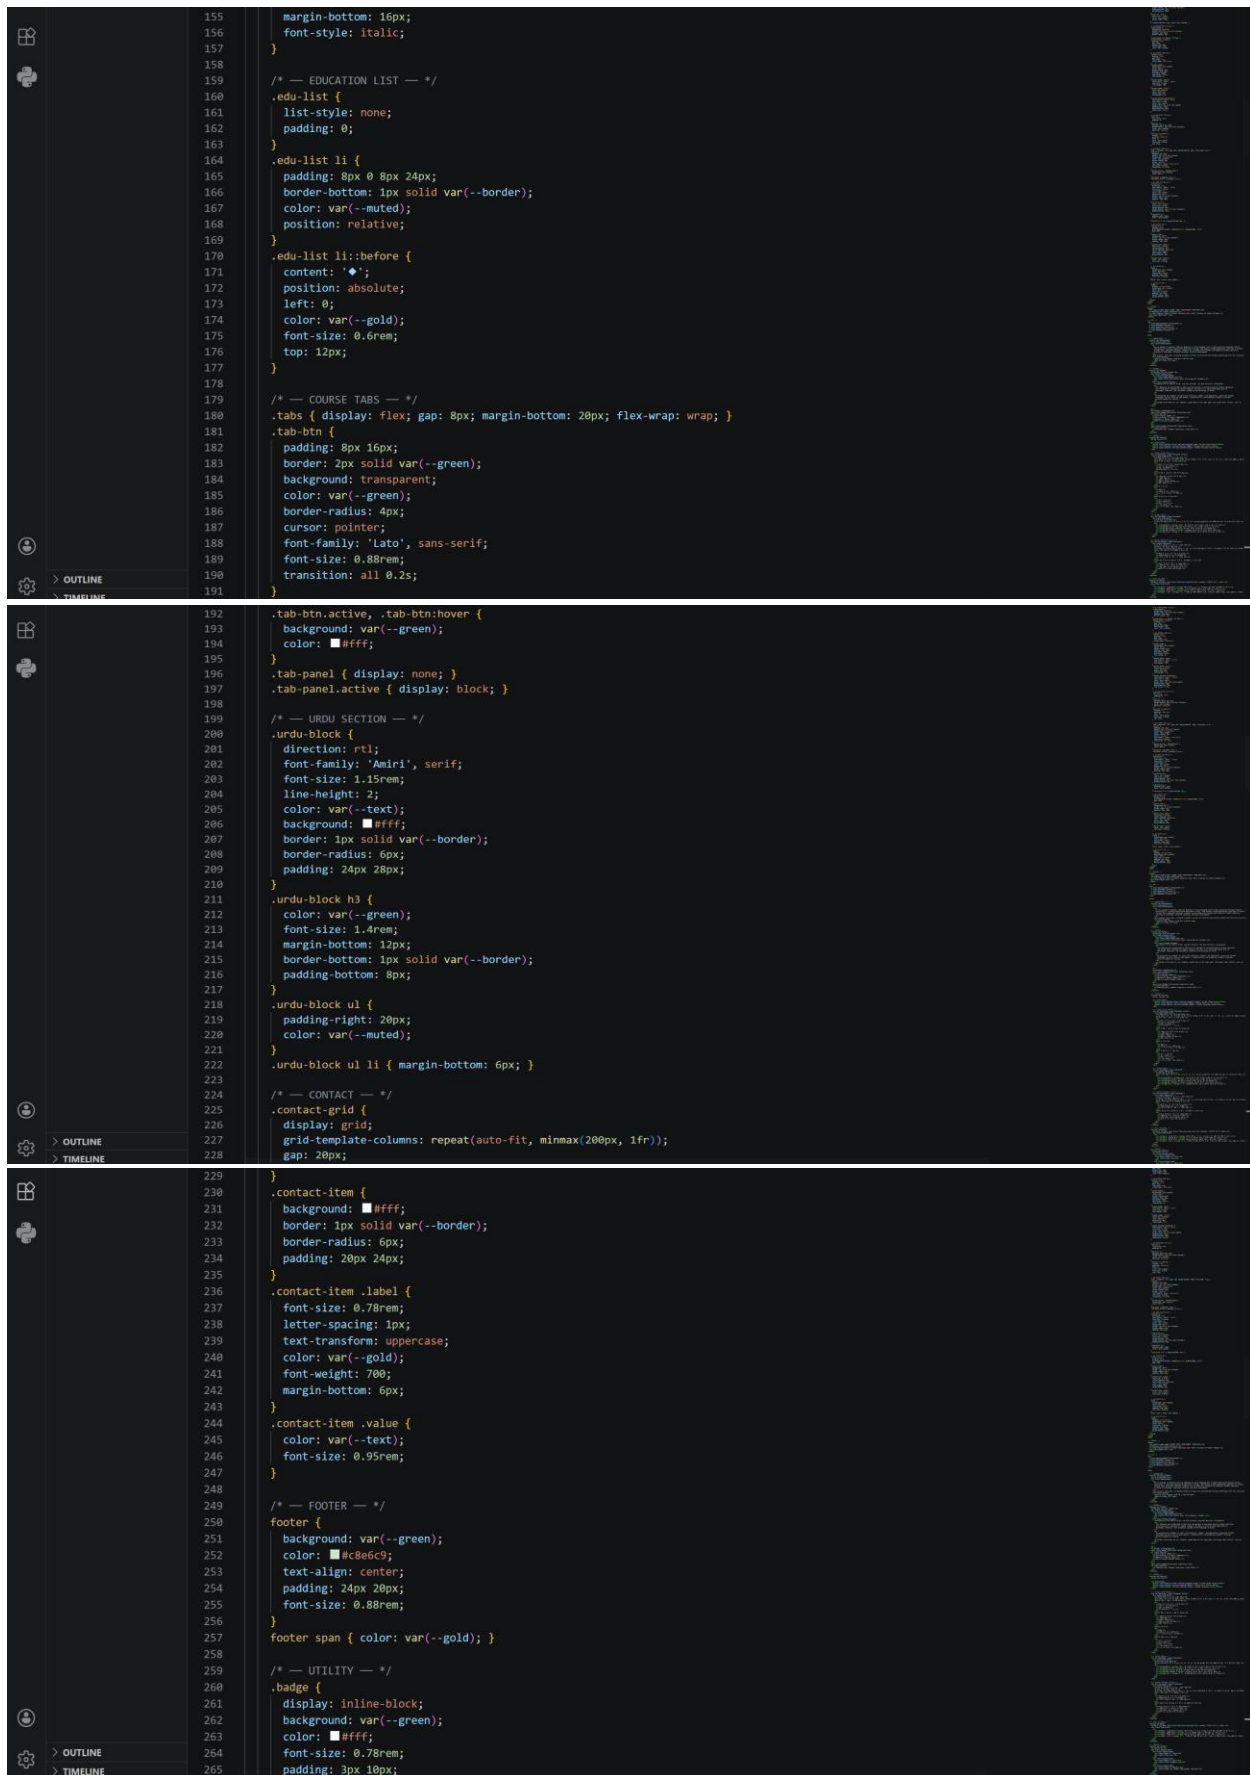

Features

- Bilingual content (English + Urdu)
- Islamic color theme (green & gold)
- Simple and clean layout
- Fully responsive
